## ESCHEN'S DRIVE HELPS HOOSIERS DOWN CRICKETS

Triple Scores Two Winning Runs—Loudermilk Hurls in Big League Style Allowing Only Five Safeties.

By E. Kenneth Todd.

Malloy, Battle Creek's premier speed artist, fell victim to the Hoosier war club in the Monday matinee, the dashing Koehler band walloping the Cricket mounders by a score of 7 to 1. "Louie" Loudermilk performed on the crag for the home outfit and pitched consistent ball, giving the Hoosiers but five well-scattered swats during the afternoon.

Malloy was invulnerable during the first three periods, holding the Hoosiers hitless and striking out seven men but weakened in the fourth and from that time on the Hoosiers whacked his fast ones almost continually. Jimmy Eschen's triple, and doubles by Lake and Helmer with men on, account for five of the tallies gathered by the Hoosiers.

The Crickets scored the first run of the pastime in the fourth on a single, an error, a stolen base and a sacrifice fly. In their half of the chapter the Hoosiers knotted the score on Malloy's wild peg to first and Harry Lake's swishing double into left center. Three hits and a sacrifice netted the home lads two more tallies in the fifth while another quartet was garnered in the seventh with four swats and a sacrifice.

Pay Wastes Double. Both the Hoosiers and Crickets went down fast in the opening stanza. Pay got a long double into left off Loudermilk but being ambitious attempted to stretch it into a triple and was killed at third on the relay through Edmiston.

"Louie" got into a little trouble in the second. With one down, Bramble drove a liner toward right. Koehler knocked the ball down but the shout was a real one. Eschen's triple, and doubles by Lake and Helmer with men on, account for five of the tallies gathered by the Hoosiers.

Crickets Get a Run. Duncan started things in the fourth with a single to center. Dobbins grounded to Loudermilk and a double was attempted but the throw to Edmiston came over the bag and Wagner dumped him just enough to cause him to drop the ball, making every body safe. "Chick" protested valiantly but without result. Lake and Koehler came within an ace of taking Dobbins at first when the Cricket backstop dared a long lead. Bramble whiffed but Duncan swiped third on the last strike. Wagner sent a long fly to center and Duncan crossed the pan. Badger skied to Eschen.

The Hoosiers came back in their half with the tying marker. Malloy whiffed Eschen but made a bad throw to first on Helmer's roller. Harry Lake smashed a hard double past short which went far into left. Streeter missing it, Helmer scored. Lake went to third when Malloy pegged wild in attempting to get him second. The Cricket twirler then tightened whiffing Beall and Edmiston.

There were some doings by the Hoosiers in the fifth. Loudermilk opened with a high hopper over the pitcher's box which landed him on first. Broder sacrificed but Koehler popped out to Dobbins. Grodick got a hit past Malloy and Jimmy Eschen cleaned the bags with a stiff triple into far right. Helmer was passed and pilfered but Lake grounded to Pay.

sixth and Beall got his first hit, a single into right. Two spectacular catches by Helmer gave the fans their only bit of excitement in the first of the seventh.

Mr. Malloy was sadly battered in the Hoosier half of the seventh. Broder and Koehler started with singles. Grodick sacrificed. Broder marked on Eschen's bouncer to Wagner, the return throw being wide. "Joey" Helmer wiped the sacks with a two base liner to the right field fence. Lake grounded out to Badger and Beall brought Helmer across the pan with a single to left. Edmiston rolled out to Malloy.

In the eighth Malloy got a scratch hit past Loudermilk. Streeter and Pay died out, while Duncan was passed but forced on Dobbins' grounder to Edmiston. Broder beat out a hit down toward Pay but was pugged out at second and the rest was easy for the Crickets.

With one down in the ninth Wagner singled to left but was doubled at first when Badger drove a stiff blow into Loudermilk's glove.

Sixteen cars already have qualified, but a number of the drivers anxious to secure better positions at the start will make second and third attempts to better their present official lap time. As it looks now the following cars will be committed to breast the tape for the derby:

## "Knockouts"

By Ed. W. Smith.

One of the funniest things that ever happened around Chicago came off one night at the old Turner hall on the south side when Charley Burns was battling with that sterling old war-horse, Buck Montgomery. It was the second meeting of the pair and brought about a double knockout that as pretty a thing as one could wish to see.

Burns scored the double event inside of the twinkling of an eye, knocking Buck out with a right swing to the jaw and putting away one of his own seconds with a well directed kick to the same region.

It came about in a strange way. In the first meeting of the men Buck had picked a punch off the floor with his right hand and neatly deposited it on the Burns jaw, knocking Charley flat. Burns was nothing if not game and he barely got to his feet in time to dodge the fatal "Ten." He did so well in the other five rounds that he earned a draw.

The match was so good that they got a return engagement very soon. Buck's friends were sure he would win and were betting that way. Feeling was high and the men tore into each other wildly and before a round was over it was plain that if they kept up the bait both would be dead of exhaustion before the natural finish of the bout.

Along about the middle of the third round, Burns, suddenly shifting, caught Buck a terrific right swing in the midsection. Down flopped Buck, completely spent.

Burns waited for the referee to finish the count and at about "seven," when Buck hadn't even wiggled one toe, Charley turned to walk to his corner. He saw it was all over. Just then one of his excited seconds, highly elated started to clamber into the ring to seize the victorious warrior.

Taking in the situation at a glance and remembering that the referee was a technical fellow who might call it a foul if that second ever got into the ring, Burns, being a man of action rather than words, platted his right foot under the over-zealous second's jaw, putting him to the floor as cold as a wedge.

The second, if I remember rightly, was Gene Keller. And they had a worse time bringing him to than they had with Montgomery.

Recently Charley White has been creating a great deal of talk by the way he has been hanging the great left hook of his onto the opposition jaw. Somehow or other, Charley always was capable of knocking his man out the most opportune—or inopportune time, as the case might be.

One night he put over a crusher on Kid Abel's jaw, putting him down so heavily and with terrible effect that Abel started to clamber into the ring, rushed madly out of the building, leaving the beaten man completely alone. White's second had to take Abel in hand and restore him.

LAUREL WINS. Laurel school had an easy time with the team from Colfax school Monday afternoon on the Hollyhook diamond and won their ball game 19 to 9. The battery for the Laurel squad was Buskowsky and Hodes, while Smith and Soderberg officiated for the Colfax lads.

## INMAN ELIMINATED IN TENNIS TOURNAY

Helmer Is Going.  
"Joey" Helmer is going at a great pace both in batting and fielding. When Helmer came into the spring he was rated as a mediocre fielder and exhibited some signs of shabbiness in this division of the game. But, under the tutelage of Jimmy Eschen, and through his own efforts, Helmer is developing into a crack outfielder. He is one of the fastest men on the club and is using this requisite in pulling down what would often be hits in the Monday fray with the Crickets. Helmer made four catches, three of them being brilliant stops. He picked a drive up against the right field fence in the seventh, which would have been good for a double, and in the third ran under a short drive behind Koehler which prevented the Crickets from scoring. Rarely a day passes that "Joey" does not produce one or two real wall-pops and is rated as the hardest hitting man with the Koehler outfit.

Schorr Not Here.  
Smith has been expected to hear from Walter Schorr, the twirler who was slated to report here. The Hoosier pitching staff would be considerably strengthened by the addition of the lanky right-hander, and Helmer would welcome the return of the former Bender twirler.

There was a fair attendance at the ball park Monday, but not the crowd that should be attending the class of baseball games the clubs are playing at Springfield. The feminine fans are coming out in goodly numbers.

Reports Denied.  
Reports that the Southern Michigan league plans to disband after July 5 are strenuously denied by Owner Smith, who is vice president of the league. Smith says that such rumors are unfounded and without truth and that the Southern expects to continue throughout the entire schedule.

"The league expects more success after July 5 than it has enjoyed previous to that time this year," said Smith. "The weather conditions have not been conducive to its attendance until within the last few days, and the league has naturally suffered as a result, but all of the clubs are prepared to finish the season."

Optimism Displayed.  
"Battle Creek, Bay City and Saginaw are certain to stick according to reports from those cities. The league directors and club owners anticipate better attendance at all of the ball parks over the circuit from this time on. With the weather there is no reason why the circuit should not be a paying proposition for the well balanced league is putting up a real race which interests the fans."

The talk that the Southern Michigan league will disband is but natural among fans when they see so many other circuits hitting the rocks, but the assurances that have come from Fred's family, Frank and Jackson and other magnates of the organization is sufficient to convince the followers that there is little chance for the league ceasing operations for some time to come.
